

Hear-Touch-Smell-See Scavenger Hunt

Use your senses! Explore nature in a new way by using your sense of touch, sight, hearing, and smell! Find as many of the following as possible:

Hear:

- birds chirping
- water
- wind in the trees

Touch:

- water
- tree bark
- moss on a rock

Smell:

- dirt
- cedar leaves or pine needles
- sassafras leaves*

**look for mitten shaped leaves, young plants grow close to the ground (1-3 ft tall)*

See:

- trail
- flower
- mushroom

Share a photo of you completing your scavenger hunt— on social media (Facebook, Twitter, Instagram: @landtrustnal) with the hashtag #landtrustnal or by email at questions@landtrustnal.org. We'll enter you into a drawing to win a cool prize!
